## limitless

optimize your mind and body

### WHAT IS IT?

Limitless is a supplement that delivers a suite of neuron-supporting ingredients quickly and efficiently to your cells. It supports optimal thinking, learning, concentration and memory so you'll be at the top of your game throughout the day.

### WHAT DOES IT DO?

Limitless provides support for brain function (neurons) to improve energy, clarity, and focus. Our unique RapidCell Technology nutrient delivery system ensures optimal absorption to improve energy, concentration, and focus.

#### KEY INGREDIENTS

#### FUNCTION

brain-derived neurotrophic factor (bDNF)	A protein that plays a role in the growth, maturation, and survival of nerve cells. BDNF is active in the parts of the brain associated with critical thinking, learning, and memory.
taurine	A naturally occurring amino acid that can help increase the intensity of physical exercise.
hordenine HCl	An adrenergic that can help the body release stored norepinephrine which in turn increases the heart rate and triggers the release of stored energy in the body.
dimethylaminoethanol	A compound that helps the brain produce neurotransmitters involved with learning and memory.
peptide akg	An antioxidant critical to the critic acid cycle, which is the process that releases stored energy to cells.
curcumin	An extract of turmeric that can help the body manage pain, stress and inflammation.
rapidCT	The exclusive BioReigns delivery technology. By using the body's natural ability to absorb water, rapidCT protects and delivers each nutrient quickly, efficiently, and directly to your cells, offering optimal nutritional benefits and creating a better way to a better you!
