

ACV biotics

better gut health

WHAT IS IT?

When your stomach feels good, you feel good! Support better gut health with a great-tasting, probiotic-packed gummy.

WHAT DOES IT DO?

ACV Biotics supports total gut health. New research indicates that a healthy gut leads to improved overall health. biō ACV Biotics wraps three strains of gut-health probiotics, apple cider vinegar, and alpha lipoic acid (ALA) with RapidCT benefits into a great-tasting, portable, and shelf-stable gummy. The result: an easy way to support gut health and weight management, improve the balance of gut microflora, and strengthen the immune system.

- Stable at room temperature - no need for refrigeration
- Bacteria encased in an endospore casing which protects it from stomach acid, enabling it to reach the gut for maximum effectiveness
- Apple cider vinegar adds more probiotics to “feed” good bacteria and support weight management and immune health
- ACV products made from the “Mother” include all of the product’s beneficial ingredients including good bacteria and enzymes that support nutrient absorption, promote energy, enhance digestive comfort, and encourage a feeling of fullness
- ALA with RapidCT supports maximum absorption of ALA, an antioxidant that helps support cellular health

RECOMMENDED USE

Take two gummies per serving daily. You may take more as needed.

KEY INGREDIENTS

Spore-forming, triple strength proprietary blend of Bacillus subtilis, Bacillus coagulans, and Bacillus clausii), gram-positive bacteria

Prebiotic FOS

Apple cider vinegar made from “mother” essence

Alpha-lipoic acid (ALA) with RapidCT benefits

FUNCTION

Supports healthy immune function. Promotes healthy gut microflora during and after antibiotic use, intestinal homeostasis and production of antimicrobial compounds, and recovery from diarrhea and constipation.

Supports the rapid growth of beneficial bacteria.

Promotes healthy gut bacteria, promotes weight management, maintains healthy blood sugar, supports heart health, helps combat inflammation, boosts immunity. Adds enzymes to improve digestion. Proven and effective digestive enzyme blend promotes optimal digestion and absorption of nutrients.

ALA (alpha-lipoic acid) works at the cellular level to support energy production and restore levels of important vitamins such as E and C.
