lean

put your workout to work

WHAT IS IT?

Lean is specially formulated with ingredients used to help increase fat burning and stamina during physical exercise utilizing our exclusive delivery technology, rapidCT. Use with Limitless for an even longer boost!

WHAT DOES IT DO?

This formula features yohimbine, which can modulate fat-burning cell receptors and increase adrenaline to get your heart pumping.

KEY INGREDIENTS	FUNCTION
-----------------	----------

yohimbine HCL

Yohimbine, a natural extract of the African Yohimbe tree, has been shown to activate certain receptors in your body that normally promote fat burning. It also increases your adrenaline, which helps your fat cells burn calories.

curcumin

An extract of turmeric that can help the body manage pain, stress, and inflammation.

cbd

Supports the endocannabinoid system, which has been linked to the digestive, endocrine, nervous, and cardiovascular systems, and works to help maintain general balance in the body.

rapidCT

The exclusive BioReigns delivery technology. By using the body's natural ability to absorb water, rapidCT protects and delivers each nutrient quickly, efficiently, and directly to your cells, offering optimal nutritional benefits and creating a better way to a better you!
