## sleep the rest you deserve

### WHAT IS IT?

Give your body a rest with a formula crafted to help you fall asleep faster, sleep more soundly, and stay asleep longer.

### WHAT DOES IT DO?

The ingredients in BioReigns' sleep tincture were inspired by the messages sent throughout the body to help you relax. Delivered with our exclusive RapidCell Technology for maximum absorption, you can wake up finally feeling energized, without any grogginess.

#### KEY INGREDIENTS

#### FUNCTION

|                                     |  |
|-------------------------------------|--|
| delta-sleep-inducing-peptide (dsip) | A neuropeptide that can promote slow wave sleep, the deepest kind of sleep that helps your body heal overnight.  |
| gaba                                | A naturally occurring neurotransmitter that can relieve anxiety. Partners with 5-HTP to help you fall asleep faster, sleep better, and sleep longer.   |
| cbd + cbn                           | Cannabidiol (CBD) and Cannabinol (CBN) support the endocannabinoid system, which has receptors across many organ systems in the body. Some research has shown that CBD can help with issues that might prevent sleep, like pain and feeling anxious.                             |
| magnolia bark                       | Used in traditional Chinese medicine, some studies show this antioxidant can help with anxiety, decreasing sleep latency, and increasing REM sleep.  |
| rapidCT                             | The exclusive BioReigns delivery technology. By using the body's natural ability to absorb water, rapidCT protects and delivers each nutrient quickly, efficiently, and directly to your cells, offering optimal nutritional benefits and creating a better way to a better you! |

EXTRA STRENGTH
