

vital IQ kids

help your kids grow up healthy

WHAT IS IT?

Vital IQ for Kids helps you help your family! Whether your kids want gummies or a tincture, Vital IQ jumpstarts their daily vitamin and mineral intake with rapidCT, our exclusive nutrient delivery technology.

WHAT DOES IT DO?

Only about 25% of Americans get the daily recommended amounts of vitamins and minerals. Vital IQ makes it easy for your little ones to get a boost of the nutrients their bodies need to grow and stay healthy.

KEY INGREDIENTS	FUNCTION
-----------------	----------

vitamin A, B, C, D, and E	Micronutrients critical to healthy organ function and day-to-day wellbeing. Helps the body defend against disease. Supports cellular strength, productivity, and defense.
alpha-gpc	Also known as choline. Can help improve memory and overall brain function. Supports nervous system health.
magnesium	A mineral found in leafy green vegetables. Linked to improved performance during exercise, improved mood, and reduced inflammation and reduced insulin resistance
rapidCT	Our exclusive RapidCell Technology protects and delivers each nutrient quickly, efficiently, and directly to your cells through water absorption.
